

Long-Drop Adjustable Ceiling Projector Mount

SPM05W / SPM05B | 1000-1970mm adjustable drop

A long-drop adjustable ceiling projector mount designed for very high ceilings and installations requiring maximum extension. Ideal for large commercial spaces, auditoriums and open-plan environments, with adjustable height and a sloped-ceiling compatible mounting plate for accurate projector positioning.

KEY FEATURES

1000-1970mm adjustable drop

Maximum extension for very high ceilings and large projection spaces.

Sloped ceiling compatible

Adjustable ceiling plate suits angles up to 45 degrees.

Universal projector fit

Fits approximately 95% of LCD and DLP projectors.

Flexible 3 or 4 arm configuration

Adjustable arms suit a wide range of mounting-hole patterns.

Up to 320mm arm spread

Expandable to 380mm with optional extension legs.

+/-30 degree projector adjustment

Allows accurate image alignment and levelling.

Integrated cable management

Keeps cabling neat and concealed.

15kg maximum load

Durable aluminium construction.
