

WALL MOUNTING THE SOUND BAR

Insert the two Wall-Mount Screws into the Screw Holes and tighten them.

Use the mounts to mark your drill holes at the bottom of the TV.

Secure the mount to the wall and hang the sound bar, finished.

WALL MOUNTING THE SATELLITE SPEAKERS

- ①. Attach the Wall Mount Screw to the back of the Satellite Speaker.
- ②. Attach the wall mount bracket to the wall.
- ③. Plug the speaker cable into the back of the Satellite Speaker.
- ④. Align and mount the Satellite Speaker with the Wall Mount Bracket.

Be sure your screws are attached to wood studs or drywall anchors (for drywall) or concrete anchors (for brick/concrete walls). Wall mounting hardware is included.

If you are unfamiliar with power tools or the layout of electrical wiring in the walls of your home, consult a professional installer.
