

55"-75" Motorised TV Lift - 1300mm Travel

SMLFT-S1300 | Remote-controlled vertical TV lift

The SureMount SMLFT-S1300 is the largest lift in the SMLFT range, designed for discreetly concealing and smoothly raising medium to large televisions from custom cabinetry. It provides 1300mm of vertical travel with quiet actuator-driven operation, programmable height limits and remote or wired control. Designed for most 55-75 inch TVs within the stated VESA and weight limits.

1300mm travel
907-2207mm tower height

80kg max load
60kg ceiling / swivel

Quiet 1000N actuator
<50dB / 30mm/s

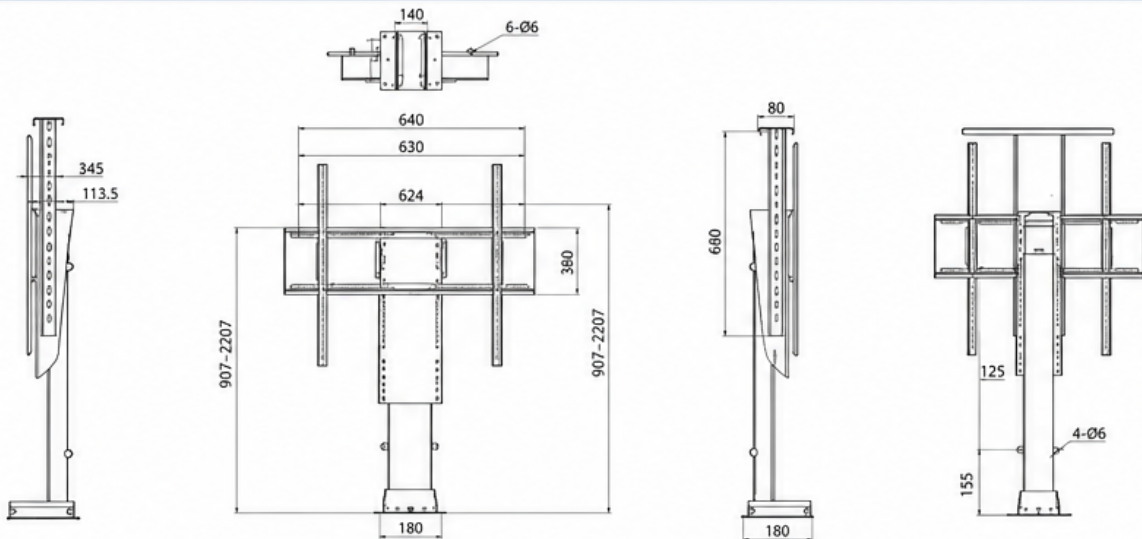

Remote + wired control
Memory presets / RJ45

Optional 360° swivel
Floor-mounted lifts only

DIMENSIONS - SMLFT-S1300

TECHNICAL SPECIFICATIONS
